

LAKE HARDING ASSOCIATION, INC

TO PROSPECTIVE NEW MEMBERS OF THE LAKE HARDING ASSOCIATION, INC:

The Lake Harding Association was organized in 1986 and is made of residents of Lake Harding on both the Alabama and Georgia sides of the lake, presently consisting of over 600 families. We would like to extend this invitation to you to become a member of the Association.

The Association generally has one business meeting a year in the Spring and an annual barbecue in September. Other events are planned including a lake cleanup effort and supporting the annual fireworks display. We also act as Neighborhood Watch by being a dissemination point of providing important information concerning our lake. We publish an address and telephone directory of all members every few years. The purpose of the Association is to bring together all residents of our lake community as a group to promote a community atmosphere, both social and as an organized voice in matters the might impact our lives on the Lake and for the conservancy of our unique environment. In that regard, we work together with the Georgia Power Land Department in sharing information concerning our lake environment, our counties and other related matters. Current topics being pursued include:

Georgia Power's Pass Thru Taxes which we believe Are too high
Lease Agreement changes including allowing competitive financing and Transfer Fee Reduction
Creation of an Architectural Committee with LHA members and Georgia Power Representatives
Work with Georgia Power with Hydrilla control and possible property devaluation

Please check our website-www.lakeharding.com and click the Association button

If you are interested in joining our Association, please fill out the attached form with the information you want published in the phone directory.

If you have questions or desire further information about the Association, please feel free to contact any of the current Board members listed below.
