Enjoy Georgia's lakes for outdoor activities and relaxation.

Georgia Power manages approximately 60,000 surface acres of water across the state, which includes 17 lakes, all associated with hydroelectric projects. Our mission is to preserve the value of our lands and lakes for the protection of the environment, as well as the public good. Our lakes and parks offer boating, fishing, swimming, hiking trails, picnic areas and campgrounds. It's clean, renewable and fun, so come on out and enjoy our great outdoors!
